DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.

OFFICIAL

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq (OIG)

TELEPHONE SERVICE: As of December 1, 2004, KSC Administrative Telephone services have moved from the ODIN Desktop Support contract to the Kennedy Integrated Communication Services (KICS) contract. The new contact telephone number for the Admin Telephone Support Desk is 861-COMM (861-2666), menu option 2. Please begin using this number immediately to report telephone service problems or to obtain status on open service tickets. KSC telephone operators can still be reached by dialing "0". CONFIDENTIAL FINANCIAL DISCLOSURE REPORT (OGE FORM) FILING: Those individuals reporting to a position for which there is a requirement for an initial and annual 450 filing are reminded the INITIAL filing must be completed no later than 30 days after reporting to that position. Forms are available from the Office of Chief Counsel by calling 867-2552. (CC)

MISUSE OF THE NASA INSIGNIA: Use of the computer templates, containing the NASA Insignia, for the production of NASA letterhead in electronic form is not authorized and should be removed from all computer systems. The Associate Administrator for Public Affairs has requested all NASA centers use only the printed NASA letterhead stationery. "The use of computer file NASA Insignias to custom design stationery provides opportunities for image manipulation and standards degradation which will adversely reflect the professional image of the Agency." If not approved for specific applications, electronic images of the NASA Insignia ("meatball") should be removed from computer systems. (IT-D1)

PRIVACY ACT: Under the Privacy Act, civil service employees may: (1) Determine if NASA has a record concerning you; (2) See your record; (3) Obtain a copy of your record; (4) Request that your record be amended or corrected; (5) File an appeal in the event the agency does not correct or amend your record as requested. For information, call the KSC Privacy Officer, 867-4540. (TA-E1)

Managing the Holidays: The holidays can be a joyous time of year for some and a stressful, sad, and/or lonely time of the year for others. It is important to be aware of the holiday blues and stress symptoms and recognize that these feelings are common at this time of year. Also, budgeting one's time and money for the holidays and dealing with grief or recent hardships need to be managed as effectively as possible. This month's HEWP information packet deals with managing the holidays from all of these aspects. The packet is available on the HEWP website. Hardcopies of the packet will also be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. (TA-C2)

WOMEN'S HEALTH TOPIC: DEFEATING HOLIDAY STRESS: Women often take on the majority of holiday stress with cooking, shopping for gifts, decorating, and preparing for holiday gatherings with family, friends, and neighbors. Therefore, this month's women's topic will focus on defeating that holiday stress. An informational packet including tips on "beating and reducing holiday stress," "planning events without the stress," "eating for energy," and "stress-buster" gift ideas for women and men is available at the spaceport clinics and at the Holiday Information Table. Please contact Heather Torbett at 867-4566; email Heather.Torbett@jbosc.ksc.nasa.gov or Kris Calderon, 867-3414; e-mail Kristine.Calderon@jbosc.ksc.nasa.gov with input for other Women's Health Program topics. (TA-C2)

****HOLIDAY INFORMATION TABLE**:** The monthly health education table will be set up in the O&C cafeteria on December 9th from 11:00 am to 1:00 pm where HEWP staff will distribute the "Managing the Holidays" packet, "Defeating Holiday Stress" for women (including stress buster gifts for men and women), and a little packet of healthy and delicious holiday recipes for all to enjoy! (TA-C2)
